Selling Buyer's Choice of Lot 1A or Lot 1B

- The \$200,000 donor dam of this heifer pregnancy was the top seller of the 2023 sale at EZ Angus Ranch as a spring heifer calf and the first natural calf from the \$210,000 top seller of the 2022 Pollard female sale selected by the partnership of Spruce Mountain and EZ Angus Ranch and a maternal sister to this donor dam was the \$230,000 selection of Riverbend Ranch and Spruce Mountain Ranch as the top selling female of the record setting 2025 Pollard Female Sale.
- The third dam compiled more than \$500,000 of progeny sales in the Pollard program that include a \$20,000 fall yearling selected by Wilks Ranch from the 2025 Pollard female sale and her other daughters include an \$80,000 valued heifer calf selected by Express as the top valued spring heifer calf of the 2023 Pollard sale with three other sisters sold for \$15,000 each to Chapman, SydGen and Whitestone.
- Third dam was produced by the legendary Pollard foundation donor that is a full sister to SITZ Upward 307R that sold half interest for \$195,000 to Deer Valley and produced more than \$6,000,000 in progeny sales for Deer Valley, Express and Pollard.
- Pollard Hennessey is a bold step forward for the Angus breed that combines the NUMBER 1 \$Combined value index available from ORigen with the NUMBER 1 \$Combined value index among ALL Angus sires of semen producing age that record a positive \$EN index.

- Maternal sister sold to the partnership of Double Barrel Angus and Wilks Ranch as the \$130,000 second high selling spring heifer calf that produced a \$42,500 heifer calf pregnancy selected by 4 Sons from the recent record setting sale at Wilks Ranch, a flush sister to that female sold for \$60,000 to Spruce Mountain as a top selling feature of the 2025 Bases Loaded sale.
- A full brother to those two young donors sold two thirds interest for \$20,000 to Wilks Ranches as one of the most popular and valuable herd sire prospects and top selling spring yearling of the record setting 2025 Pollard bull sale.
- Donor dam whose first six progeny, five daughters and one herd sire prospect, produced and sold by Pollard Farms have commanded \$253,500 for an average price of \$42,500 and she was selected by Barry Pollard and the late John Grimes as the \$44,000 second high-selling female of the 2022 Yon Family Farms sale from the second calf crop by their increasingly popular Select Sire Yon Top Cut G730 and she is proving to be a reliable source of marbling score genetics.
- **Selling four IVF embryos with a guarantee of at least two pregnancies to result as long as embryos are paid for within 30 days of the sale, picked up within 60 days of the sale, and are implanted within 12 months of the sale by a certified embryologist.**
